Pros: Official Lucasfilm publication, great interviews, knowledgeable staff, behind the pictures

Cons: A lot of the pictures have already been seen on StarWars.com, expensive

Bottom line: Great Star Wars Fan Magazine...kinda pricey, but full of interviews, behi scenes pictures, and geeky love.

But it's only 6 issues a year, and the price is 19.95 for the year ... [read more](#)

Star Wars Insider is where you can find all the latest (well, as latest as a Bi-Monthly magazine can put out) information concerning Star Wars. I have been reading it now for the last ... [read more](#)
